## Travel Team Program

### **NO PLAYER WILL BE ALLOWED TO TRYOUT WITHOUT A PAID REGISTRATION**

A primary objective of LTRC Youth Baseball is to teach fundamental baseball skills through the active participation of its youths, boys and girls. Toward this goal, all who register in the program are required to play on an LTRC in-house baseball team. Travel team opportunities are offered to those players whose skills and interest are for a more advanced level of competition.

Depending on the level of interest, LTRC Youth Baseball will provide one or more travel teams in the 7-8, 9-10, 11-12, and 13-14 age brackets. The travel teams in each age bracket will play in an appropriate travel team league and in tournaments as available.

Tryouts for all travel teams are open to all players who are officially registered in the LTRC Youth Baseball in-house program. Players should attend both tryouts for their respective age groups. Gym shoes are to be worn.
