

As a part of the 2016 Chevy Youth Baseball Program, participants in LTRC Youth Baseball will be able to participate in an instructional clinic with the Baltimore Orioles. **Participation is free, courtesy of the Timonium AutoNation Chevrolet dealer.**

Clinic registration begins **promptly at 3:00 PM on Wednesday, June 1**, **exclusively** on the following website: www.chevroletbaseball.com

On the site, please click on the "Clinics" tab at the top to access registration. In order to keep these clinics exclusive to our sponsored leagues, no information will be provided on the clinic section of the website prior to the posted registration time.

Parents can register their children (ages 6-12) at the registration time. There is limited space for the clinics so registration is on a first-come, first-served basis. Once a clinic is full, interested participants will still be allowed to sign up for that clinic but will be put on a waiting list. If spots open up, they will be filled from the waiting list in the order in which they were registered.
