If you have any questions, please reply to [president@ltrcbaseball.org](mailto:president@ltrcbaseball.org)

-----

Dear LTRC Players, Coaches, and Families,

We continue to hope for a baseball season in 2020, however, the options will change as decisions are made regarding closures or openings in our community. We know this leaves you with many questions. One option we've considered is an abbreviated or summer season if the health and safety guidelines allow for it. To gauge interest in that, please help us by completing this quick 2-question survey: <https://www.surveymonkey.com/r/F675GY6>

In the interim, please visit our [Facebook](#) page to see some drills that we will post intermittently from IMPACT Baseball that will keep our athletes ready to take the field when the time comes.

### **Registration Questions**

Registration fees and sponsorship gifts are used to purchase equipment, pay league fees, umpires, buy uniforms and more. Many of these expenses were underway prior to the pandemic. Keeping that in mind, we understand that if the season is cancelled, families will want credits or refunds. We ask you to consider a credit toward next season if you can.

Please review the following, in the event of a cancellation:

- StoneAlley can rollover your registration to our next playable season, at which time you would pay no additional fees. We appreciate your consideration of this option.
- In the event the season is cancelled, and you would like to request a refund instead of a credit, we will send a subsequent message at that time to tell you how to make that request.
- The refunds will go through the recreation council and with an anticipated influx of requests from multiple programs, this will take time. We appreciate your patience in this matter.

### **Fundraising Questions**

Many of our sponsors are allowing us to keep their gifts, despite the pandemic, and we're so thankful for that. As you're staying home, please make sure to check out our [sponsor list](#), which includes many essential businesses in and around our community.

Our Magooby's fundraiser scheduled for 4/17/2020 is cancelled due to current events. Thank you to those who purchased tickets to this. These refunds are being processed and you should receive them in the next two weeks.

If you purchased a DICK'S Sporting Goods coupon book, we have them and are trying to determine the best method of distribution. More to come on that.

We appreciate your patience as we work through these points within our board and the larger rec council. Wishing you and your families continued health and safety,

**The LT Baseball Board**
