Subject: 2021 LTRC Youth Baseball Registration update

Dear LTRC Players and Families,

We hope all of you are doing well and enjoyed your holidays. We are hoping for a spring baseball season as much as you! As we continue to monitor the circumstances and work with the larger rec council, I wanted to provide some updates.

Registration for LT Baseball is currently only open to players that rolled over their 2020 registrations to the 2021 season. Those players received an email with instructions on how to register. We are not opening registration further due to the following:

- We've been advised by the President of all LTRC programs to not have any monetary transactions. Only rollovers are able to register, as noted above, with a previously issued credit.
- The Director of the Department of Recreation and Parks will not issue field permits at this time. This is being escalated by each LTRC subsidiary (Soccer, LAX, Softball, Baseball, etc).
- Lastly, its to prevent having to issue refunds to the entire league if the season should once again be cancelled due to restrictions. Should that happen, those who have rolled over into 2021 will receive a notification. When Baltimore County lifts the restrictions, we will open registration to everyone.

Lastly, if you previously opted to rollover but have changed your mind, please email refunds@ltrcbaseball.org with your current address and player(s) name(s) by January 31, 2021.

We will also update [Facebook](#) and [Instagram](#) as we receive further updates.

Here's to hoping for a spring season! Stay well.

Chris Conway
LT Baseball President
